Guidelines for Membership Levels

A company may choose any level of membership, but the following is used as a guide based on our current membership base.

Partners and Financial Institutions

Any business may become a Partner. It is suggested that businesses with 1,000 employees or more and financial institutions consider this level.

Sustaining Member Level 1

Any business may become a Sustaining Member Level 2. It is suggested that businesses with 500-999 employees or professional service organizations consider this level.

Sustaining Member Level 2

Any business may become a Sustaining Member Level 2. It is suggested that businesses with 200-499 employees or professional service organizations consider this level.

Sustaining Member Level 3

Any business may become a Sustaining Member Level 1. It is suggested that business with 50-199 employees or professional service organizations consider this level.

Individual/Small Businesses

Any business may become an Individual/Small Business Member. This level is intended for individual non-business members and suggested small businesses with less than 50 employees.
